

## Share Prices In Brisk Rally On Stock Mart

Advance to Highest Levels  
Since March  
Boom

TURNOVER IS HEAVY

Profit-Taking Causes Re-  
action in Late  
Session

New York—(P)—Stocks crashed  
through to the highest prices since  
March today in a tidal wave of  
buying that piled up a turnover of  
approximately 5,500,000 shares, the  
largest since October, 1930.

Climbing crest after crest during  
the frenzied advance of the morn-  
ing and early afternoon, the mar-  
ket finally reacted under the heavy  
pounding of profit-taking traders,  
and extreme gains of \$2 to \$8 were  
sharply reduced by the close. Led  
by cotton which had an extreme  
rise of more than \$3 a bale, com-  
modities were generally buoyant.  
Bonds strengthened substantially.

New York—(P)—After a setback  
in the first hour, shares rebounded  
with renewed vigor in the New  
York Stock exchange today.

Trading proceeded in heavy vol-  
ume, and numerous advances of \$1  
to \$5 over Saturday's final prices  
had been recorded before midday,  
boosting the general level of shares  
to the highest since March. Losses  
of \$1 to \$3 in the first hour were  
quickly regained.

Motors forged ahead in the most  
impressive manner in months, Gen-  
eral Motors rising \$2 to above a  
price of \$16. Chrysler advanced \$1-  
50 to \$12. Nasch rose \$1 to 15. Rail-  
road and farm implements were also in  
the lead. Santa Fe rose more than  
\$5 to a price of \$26. Union Pacific  
regained an early loss of more  
than \$3 to advance \$3 to \$66. Case  
regained a loss of nearly \$2 to ad-  
vance \$4 to above \$53. American  
Can rose more than \$2 to well  
above \$50. American Telephone ad-  
vanced more than \$1 to above \$109.  
U. S. Steel crossed \$43 for a gain  
of about \$2.

It was the first emphatic upturn  
in the automobile shares since early  
in the year. While automobile pro-  
duction is being curtailed during  
August, Detroit advises to Wall-st  
indicate that executives were hope-  
ful of a good pickup in sales during  
the autumn, if upturns in the mar-  
ket may be taken as evidence of a  
general restoration of confidence.

The farm implement and the rail-  
road shares were again bid up on  
the theory that good crops, and the  
measures being taken to bolster  
commodity prices, should improve  
the general agricultural situation.

The stock exchange's trading  
machinery was again overhauled  
and the ticker fell several minutes  
behind actual transactions on the  
floor.

New York—(P)—With a buoyancy  
comparable to the prosperity-mad  
days of 1929, stocks stormed upward  
in tumultuous trading on the New  
York stock exchange today.

Sleeping aside profit-taking and  
forcing the badly bitten bears into  
still tighter traps, the market exulta-  
ntly stamped its way through all  
opposition. The throttle was wide  
open, and the bulls seemed to have  
plenty of gas in the tank.

Tells of Kidnapping  
The kidnapping was reported by  
neighbors who had heard the bank-  
er screaming and saw him put into  
the car.

He told the state's attorney he  
was attacked in his home, where he  
lived alone, by two men as he was  
lighting a lamp on returning to the  
house. He struggled with his assa-  
lants, he said, but they overpowered  
him and carried him out of the  
house and put him in an auto.

Highpoint, N. C.—(P)—High

Point's industrial areas hummed in  
unison for the first time in nearly  
a month today as the last of 6,000  
textile and hosiery strikers went  
back to work. Today's resumption  
of activities brought to a close a  
strike without parallel in the  
state's history.

It began with a strike of some  
400 employees of eight hosiery mills,  
and spread in two days to every in-  
dustry in the city when rows of  
shops and of all electric power.

The foreign office denied that  
General Muto, ambassador to Man-  
churia, had been a member of the  
supreme war council. Although Gen-  
eral Muto, 30, and Harvey Newman,  
21, Superior laborers, were held in  
jail here today in connection with  
the slaying late Saturday of Thor-  
nac Green, 60, at a bootlegger's shack  
near Solon Springs, authorities de-  
layed filing charges against the  
two men.

On the advice of their attorneys,  
Handran and Newman refused to  
talk to District Attorney Claude  
Cooper when they surrendered yes-  
terday at police headquarters. They  
were placed in separate cells in the  
Douglas-co jail pending an inquest,  
expected to be held tomorrow.

The district attorney said he  
would ask Arthur Westling, 30, of  
Solon Springs, to identify the pris-  
oners. Westling witnessed the  
shooting of Green and told Sheriff  
Frank Carlisle he was positive he  
would recognize the slayers, al-  
though he said both were strangers.

Westling said two men drove up  
to the shack where Green was tend-  
ing a moccasin still. They left a  
boy seated in the car and approached  
the shack. Apparently frightened  
by their menacing manner when  
both men drew pistols, Green at-  
tempted to escape. He was shot and  
died near the surrounding swamps.

When she surrenders immedi-  
ately efforts will be made to obtain  
bates to the proceedings.

How Mrs. Reynolds would arrive  
or where she has been is being  
predicted by the widow's husband  
and her son, Al Walker, young

Reynolds' son, on murder  
charges last Thursday remained a  
secret.

Later two men appeared at the  
home of Dr. A. G. Wilson in Solon  
Springs and when they found  
Green wounded at the shack, Walker  
and his son went to the scene of the  
shooting. Dr. Wilson transferred  
Green to a car and started for a  
hospital in Solon. Green died  
before he arrived.

Dr. Wilson brought the case to  
Superior court, and Sheriff Carlisle  
and his son, Al Walker, young

Reynolds' son, on murder  
charges last Thursday remained a  
secret.

### Ex-Mayor Dies

## Aviatrix Again Is Witness at Murder Trial

Mrs. Keith-Miller "Com-  
pletely Disillusioned,"  
She Testifies

### WAITED FOR DIVORCE

Court Laughs as Excerpts  
Are Read From Lan-  
caster's Diary

Miami, Fla.—(P)—After a dramatic  
session featured by a verbal clash  
between Mrs. J. M. Keith-  
Miller, and State Attorney N. Vernon  
Hawthorne, the state, at 2:33  
today rested its case in the trial of  
Captain W. N. Lancaster, flying  
partner of the Australian aviatrix,  
for the murder of Haden Clarke,  
her fiance.

Miami, Fla.—(P)—Mrs. J. M.  
Keith-Miller testified at the mur-  
der trial of Captain W. N. Lan-  
caster today that she had become  
"completely disillusioned" and no  
longer loved Lancaster nor the  
memory of Haden Clarke, her  
writer fiance whom Lancaster is  
accused of slaying.

She said she is still very fond  
of Lancaster, to whom she was  
once engaged, but that she has not  
loved him for two years.

"You have not said you would  
die for Captain Lancaster," State  
Attorney N. Vernon Hawthorne  
asked her.

"Yes."

"Would you lie for him?"

"No," she hurried back.

"Weren't you a traitor to him, if  
you have not loved him for two  
years, when you wrote him con-  
stantly of your love while he was  
on his western trip to get all the  
money he could for you?"

"You don't understand our situation,"  
she answered.

The Australian aviatrix was re-  
called to the stand today after hav-  
ing testified last week as a court  
witness.

The state charges Lancaster kil-  
ed Clarke, a writer, after the latter

## Kidnaped Banker Frees Self From Bonds in Illinois

Man Feared Slain Taken to  
Hospital After Arriv-  
ing at Friend's Home

Springfield, Ill.—(P)—Near death  
from loss of blood and exposure,  
his body bruised and lacerated,  
John B. Colegrove, aged president  
of a defunct Taylorville, Ill., bank,  
lay in a hospital here today and re-  
lated how he had been attacked in  
his home, kidnaped, bound and  
gagged, and then, after being carted  
miles in an auto, tossed into a  
weed patch where he was left to  
die.

Colegrove, under penitentiary  
sentence resulting from his bank's  
failure, remained in the weed patch  
from late Friday night until early  
Sunday when he managed to loosen  
the ropes with which he was bound  
and made his way into Springfield to  
the home of a friend.

Meanwhile Christian-co officials,  
where the kidnaping took place,  
were questioning two suspects, one  
of them a depositor in Colegrove's  
bank who lost \$6,000 when it closed.

The farm implement and the rail-  
road shares were again bid up on  
the theory that good crops, and the  
measures being taken to bolster  
commodity prices, should improve  
the general agricultural situation.

## Urge Greater Activities for Boys and Girls

Vocational Guidance Is Stressed by Kiwanis Chief At Madison Conclave

Madison—Greater activity on the part of vocational guidance, and boys and girls work committees of Kiwanis clubs in these times of unemployment, was urged today by William F. Faulkes, Madison district governor of the Wisconsin Upper Michigan Kiwanis district which is holding its annual convention here.

"I wish to call attention at this time to a condition which has developed and over which few of us seem to have any control, and that of all the boys and girls who are caught in this maelstrom of unemployment," he said. "Many of these young people have completed the high schools at considerable sacrifice to their families. Their education has cost the community a considerable sum of money. Most of these young people will not be able to continue their training, even though that may be their desire. Jobs and apprentice opportunities are not available."

"It is a time when we can make or unmake a good citizen. I propose that vocational guidance committee or the boys and girls work committee obtain a list of these boys and girls who have completed high school last June and find out what their plans may be. Those who have no plans should be contacted and their interest ascertained."

Schools Available

"They should then be encouraged to take advantage of the evening and the day schools in their community. There is available at our state university a large variety of courses at nominal cost which would be worth while as further preparation in business, professional and vocational education."

Mr. Faulkes said that Kiwanis will be able to increase its community service by promoting its objectives and striving for regular attendance and sustained interest among members.

The district governor said that Beaver Dam again won the "B" attendance contest with a record of 96.2 per cent for the first five months of the year, that Racine headed the list of 100 per cent meetings with 10 and that Antigo had four such meetings to its credit. Wisconsin Rapids won from Antigo in the North Central division by a percentage of one-sixth of 1 per cent.

Mr. Faulkes praised Otto Dorn, Ford du Lac, for his activities in the under-privileged child work and said that some 7,000 underprivileged boys and girls had been served by Kiwanis in this district during the last year.

He reported that the Madison club has suggested a plan for dedicating Highway 51 as a memorial to Washington in this bi-centennial year and that the project is expected to be completed this year.

He recommended the clubs for universal activity in agricultural work.

Farm Activities

"Sponsoring meetings with farmers, conducting contests in 4-H club work, assisting farmers' institutes and county fairs are some of the activities which have been carried on by the clubs," he said. "Racine entertained over 2,000 farmers at their annual picnic last fall. Rice Lake made possible a farmers' institute attended by over 1,000. Eight hundred attended a farm demonstration at Lancaster. These activities indicate that Kiwanis clubs are endeavoring to bring about a better understanding between the farmer and his urban neighbor."

The convention opened with a musical program yesterday afternoon. A musical program was conducted last night.

Reports of other district officers in the morning and a discussion of Kiwanis' projects and objectives in the afternoon comprised today's program.

World Traveler Will Speak at Tabernacle

Miss Mary Arnes of Australia, a world traveler, will be the speaker at the Courier Tabernacle this week. Her subject tonight will be "What I Heard and Saw in Italy" or "What Will Happen If Mussolini Is Made the Seventh Emperor." Miss Louise Quirk, a companion of Miss Arnes, will lead the singing.

Miss Hilda Harm, office clerk at Appleton high school, and Miss Thelma Peut are vacationing for two weeks at the Chain of Lakes, Wisconsin.

Dogs Lead Hoover Doctor, And Secretary to Beehive

Washington—President and Mrs. Hoover are receiving considerable pleasure nowadays from friendly pets.

A little Norwegian elk hound, "Wee-wee" and "Pat," a big German shepherd along with two elk round puppys are the only animals of the White House favoritism. "Rob Roy" after being rushed to Walter Reed hospital here for treatment, and "Prudence Prim" at the presidential summer camp in the Black Hills.

"Piggie," a squirrel so friendly he would seek food from the pockets of those known to him, was run over. "Blackie," a cat, once was lost.

Two lion cubs sent to the Coddiges from South Africa became so large they had to be shipped to a zoo. One of the White House dogs of that time, "Reuben," mate of "Rebecca," ran away never to return, and "Paul Fry" an Airedale had to be given away because of ill temper.

Lawrence Richey, Mr. Hoover's secretary, and Captain Joel T. Boone, the White House physician, fearing a snake might be in there,

### Schedule Meetings on Scenic Highway Project

A series of meetings at cities along the west shore of Lake Michigan to consider the proposed scenic highway along the shore of Lake Michigan and Green Bay, have been scheduled for next week at Kenosha, Milwaukee, Sheboygan, Manitowoc, Sturgeon Bay, and Green Bay. The meeting at Green Bay is scheduled for 8 o'clock Wednesday evening, Aug. 10. The meetings are to be conducted by representatives of the Wisconsin Highway commission and all persons interested in the project have been asked to express their views.

The proposed highway would extend from the Illinois line to the city of Marinette, according to a resolution now on file with the highway commission.

### Probe Poisoning Of Pastor's Wife In Western City

#### Minister's Romance and Second Marriage Involved in Inquiry

Muskogee, Okla.—A grand jury investigating the death by poison of the first wife of a 52-year-old minister, was to hear today from the county attorney of the tangled romance of the preacher and his 19-year-old girl bride.

Prominent in the evidence which County Attorney Philip K. Oldham had prepared for the jurors' examination were passionate letters and verse which Oldham said the minister, S. A. Berrie, admitted he wrote to his present wife before the death of his first, last March.

Berrie was held in jail "for investigation," but Oldham ordered the girl wife released in custody of her mother, saying he thought she was "the victim of circumstances."

Oldham said both had admitted a love affair prior to the death of the first Mrs. Berrie but both denied any knowledge of the alleged poisoning.

Berrie formerly held pastorates of the Cumberland Presbyterian church here; at Tulare, Calif.; Ralls, Texas; Fayetteville, Ark.; Raemer, Tenn., and Searcy, Ark. He founded the Bethel tabernacle here in May after the Cherokee Presbytery accused him of "teaching doctrines contrary to the Presbyterian faith." Berrie has appealed his conviction, in Presbyterian trial, of the charges, and the case is scheduled to come before the late synod at Marlow in October.

The first Mrs. Berrie died last March 21 at a church gathering. On May 17, the pastor married Miss Ida Bass Bright, a Sunday school teacher in the tabernacle.

The county prosecutor said a state chemist's examination of the body of Berrie's first wife following exhumation requested by a sister, Mrs. Clem Trotter of Sentinel, Okla., revealed the presence of sufficient poison to cause death.

Oldham said he had learned Mrs. Berrie swallowed a capsule, presumably containing a headache powder, which she habitually carried with her, shortly before her death. The county attorney also said Berrie told him his wife was jealous and irritable from a long illness and had threatened suicide.

#### Bounty Payments in State Show Decrease

Madison—Paul D. Kelleter, state conservation director, today announced the new bounty law, coupled with increased vigilance of conservation officers and investigation of all suspicious claims, has saved the state \$50,000 in bounty payments this year as compared with the average for the last five years.

Most bounties were paid for wolves and coyotes. The new bounty law pays \$20 for a mature wolf or coyote and \$10 for a cub. Formerly the state paid \$30 for adults and \$4 for cubs.

During the fiscal year, 1928-29, the state paid bounties totaling \$83,165, of which \$15,388 was paid for wolves. During the last fiscal year, which ended June 30, 1932, the total bounty paid on all animals was \$25,787, of which \$25,550 was paid on wolves and coyotes. Mr. Kelleter said.

#### Basement Room to be Used for Children

Redecoration of a room in the basement of city hall to be used by the library, has been started. The room will be painted in yellow, and orange curtains will be hung at the windows. It will be used for the weekly children's story hour and for committee and board meetings.

Miss Hilda Harm, office clerk at Appleton high school, and Miss Thelma Peut are vacationing for two weeks at the Chain of Lakes, Wisconsin.

Dogs Lead Hoover Doctor, And Secretary to Beehive

Washington—President and Mrs. Hoover are receiving considerable pleasure nowadays from friendly pets.

A little Norwegian elk hound, "Wee-wee" and "Pat," a big German shepherd along with two elk round puppys are the only animals of the White House favoritism. "Rob Roy" after being rushed to Walter Reed hospital here for treatment, and "Prudence Prim" at the presidential summer camp in the Black Hills.

"Piggie," a squirrel so friendly he would seek food from the pockets of those known to him, was run over. "Blackie," a cat, once was lost.

Two lion cubs sent to the Coddiges from South Africa became so large they had to be shipped to a zoo. One of the White House dogs of that time, "Reuben," mate of "Rebecca," ran away never to return, and "Paul Fry" an Airedale had to be given away because of ill temper.

Lawrence Richey, Mr. Hoover's secretary, and Captain Joel T. Boone, the White House physician, fearing a snake might be in there,

### BANKER NEAR DEATH, SUSPECTS HELD

Following the kidnapping of John B. Colgrove, formerly a leading banker of Taylorville, Ill., two Italians of Springfield, Ill., were arrested on suspicion. Sheriff Charles Wienke of Christian-co. Ill., is shown in the upper picture with them, Amelio Buzzoli, 32 center, and James Gammantoni, 35. The latter lost \$6,000 in the closing of the Colegrove State bank three years ago. At lower right is the Colgrove home at Taylorville, scene of the kidnapping. Colgrove was reported near death today in a hospital at Springfield, Ill. He had been beaten, gagged and bound and then tossed from an automobile. He succeeded in freeing himself and making his way to the home of a friend.

## Onaway Island Popular With Valley Campers

#### Two Valley Scouts to Attend State Fair Camp

Two valley council boy scouts are to be selected soon to attend a state fair scout encampment at West Allis, Aug. 26 to Sept. 3. Only Scout scouts 15 years of age or more are eligible to attend, and applications are being received by M. G. Clark, scout executive.

#### Note Big Decrease In Water Pumpage

Although the season's pumpage record was established during July the tremendous slump in industrial consumption makes a comparison of the month's total water pumpage out of proportion with figures of July, 1931, according to W. U. Galbraith, superintendent of the city pumping station and filtration plant.

"Okar" was the answer. They quibbled a bit over the price, but the boy finally agreed to take a dollar. Miss Holmes handed over \$1 from her personal funds. The youthful robber gave her the weapon, and disappeared on a rapid transit train. Then Miss Holmes looked at the gun.

"I was a toy water pistol.

Build Stone Wall To Protect Bank Cemetery Association Plans to Complete River Road in Two Years

Good progress is being made with construction of a stonewall along the banks of Fox River at the south side of Riverside cemetery. Work on the wall started early in July and it is expected that the project will be completed in about two weeks at a cost of between \$1,200 and \$1,500.

The wall, which stretches along the bend of the lower river road in the cemetery connecting North and South cemetery, is being built primarily to retain the land into which the Fox River gradually was cutting. Since 1929, when the river flooded onto the bank, the water has been steadily cutting into the bank until this spring part of the road was beginning to crumble.

The flat stone used in the wall was obtained from Highway 10 for the cost of hauling it away. A crew of seven men have been working on the retaining wall since July 8.

It is the plan of the Riverside Cemetery association to rebuild the old road, once a part of the Green Bay trail, into a river drive. This project is to be completed within the next two years. The proposed road will follow the present road from the entrance gates into St. Joseph cemetery and connect with the road in St. Joseph cemetery that leads to the new lower Grotto overlooking the river.

#### Make Plans for Annual State "Booster Tour"

Preliminary plans for the annual "booster tour" of the Wisconsin Junior Chamber of Commerce are being formulated by state officials according to word received here by head of the Junior Chamber of Commerce. This year's tour will start in Milwaukee and will probably be conducted to Chicago, Ill., it was stated. Members of branch chambers in Appleton, Sheboygan, Milwaukee, Green Bay and other cities of the state will take part in the tour.

#### Library Convention Group to Meet Here

The convention program committee of the Wisconsin State Library association will meet at the Appleton public library Saturday, Aug. 13. Final plans for the state convention, to be held in Appleton Oct. 5 to 7, will be made. Miss Cora Franz, librarian of the Kenosha Public library, will conduct the meeting.

FREE FELT SLIPPERS to the first 50 people making a purchase of \$1.00 or more Tues. A. M. See Page 3 and 7.

Summer Dresses at \$1. Summer Coats at \$3. See Page 7.

Men's Overcoats 1/2 Price. See Page 7.

### Barter Money Is Used by Jobless In Minneapolis

#### Self-help Program Organized for Those Trying To Avoid Charity

Minneapolis—Barter money is to replace United States currency as a medium of exchange for some 50,000 unemployed persons organized here under a vast creative self-help plan.

Seeking to aid those unemployed who have not yet asked for direct relief and who are trying to avoid charity if possible, Dr. George Mecklenburg, pastor of the Wesley Methodist Episcopal church here, has launched an enterprise known as the Organized Unemployed, to be operated and directed by the idle themselves for their own benefit.

"This is the first effort to reach this particular class of unemployed," said Dr. Mecklenburg today.

"While there are some 40 agencies operating here, none has given any attention to the middle class unemployed 'white collar' and professional man to whom direct relief would be a most undesirable last resort."

Working to help jobless within his own church, Dr. Mecklenburg found farmers who were willing to exchange produce for work, home owners who would exchange weeding apparel and household goods for minor repairs and odd

enlarging on this, farmers in 25 nearby townships are being solicited for jobs in exchange for produce and home owners throughout the city are being canvassed for odd jobs. Whatever workers earn in their manner is to be stored in vacant buildings donated rent free for the purpose.

Workers, themselves, however, are to be paid in barter money provided by Organized Unemployed, and the script used by them to purchase food and apparel from the storerooms.

The enterprise also includes repair shops to prepare clothing and goods for use, and workrooms to preserve perishable fruits and vegetables.

Tries to Preserve Morale

Organized Unemployed aims in addition to serve as the voice of the group and to raise and sustain their morale.

"We have found," said Dr. Mecklenburg, "that this group suffers not only actual want but also the heartache of fear of being forced to become objects of charity."

"They must be given something definite to do, something to think about and plan for, other than their individual problems. To this end the organization has been planned to include 100 separate committees comprising 3,700 persons."

It is planned too as a sort of big brother movement to aid the small home and property owners. One of our major efforts will be in the direction of working up sentiment against foreclosure of mortgages on the homes of those who have been paying for them over a long period of time.

Dr. Mecklenburg, a former missionary secretary of the Methodist Episcopal church, with headquarters at Washington, D. C., evolved the plan on the basis of experience in relief work and a month-long study of the history of relief methods, to which he devoted his vacation.

Mrs. C. M. Johnbread, Minneapolis, Minn., and son are visiting at the home of Mrs. Hattie Engler, E. South River St. Before her marriage Mrs. Johnbread was Miss Dorothy Engler of this city.

### Many People Use Reading Room at Appleton Y. M. C. A.

Between 35 and 40 people use the reading room of the Y. M. C. A. every day, according to W. D. Farum, membership secretary. The long reading table in the right part of the lobby is never vacant for long. Men waiting for appointments downtown, others in the city who come to the room regularly to pursue favorite magazines and people who use the "Y" cafeteria are among the persons seen engrossed in the magazines or newspapers there. Many of the people spend a brief half hour or so after their dinner, reading, while others spend but a few minutes to scan a particular article they have been seeking.

"I would be impossible for the Appleton band to present weekly summer concerts such as other small towns are sponsoring," Mr. Rohan pointed out, "because the leader is not engaged for the summer and the students are not available."

In order to give public concerts the group would have to spend time in practice and usually in the summer, school students are at work which would prevent practice, he explained.

We don't want to make professionals out of our school band members, any more than we sanction professional football or basketball men and we certainly don't want to compete with professional music groups in the city for concert work," Mr. Rohan pointed out as he discussed the purpose of the high school musical organizations to interest and teach students music.

Mr. Rohan believes that all city affairs are proper places for the band to appear, since the organization is primarily financed and supported by Appleton citizens, but he declares that during the school year, the high school band could not appear more than once a month without members neglecting their school work.

Progressives to Hold Three County Meetings

Three meetings of the Farmer-Labor and Progressive League of Outagamie-co. are scheduled this week. The first session will be held at 8 o'clock Tuesday evening at Drehphal's Corners in the town of Cicero. Friday evening there will be a meeting at the town of Center hall and on Saturday evening there will be a rally at Herttonville.

## Confesses to Burglary of Market Here

Man Held in Elgin, Ill.  
Identified as Robber  
Of Schabo Store

An extended hunt for Ralph Tre-  
cise, alias Harry Marks, alias Ra-  
leigh Girsmore, wanted here for  
robbery of the Schabo meat market,  
301 E. Harrison-st. on May 23, end-  
ed yesterday morning when the  
man was identified by Alfred Schabo  
and John H. Mueller, Appleton,  
at police headquarters in Elgin, Ill.

After being positively identified  
by the two Appleton men, Trecise  
confessed the robbery on May 23,  
and said that he and George Ritchie  
Chicago, also held by Elgin police,  
also committed the robbery at the  
same market on April 30, 1931. In  
the first robbery, the two men took  
\$35, and on May 23, Trecise and an  
unidentified companion took \$8  
from the market and \$10 from  
Mueller, a milkman who entered  
the place with the day's supply of  
milk.

In communication with police at  
Elgin and Chicago, Ill., Police Chief  
George T. Prim, who with Officer 7,

Fred Arndt, accompanied Mueller  
and Schabo to Elgin, learned that  
Trecise was being held in the Elgin  
police station under the name of  
Girsmore for robbing a filling sta-  
tion.

**Send Warrants**  
Warrants have been sent to Elgin  
for Ritchie and Trecise. Chief Prim  
said this morning that in the event  
they are sentenced to jail there  
they will be brought to Appleton  
for trial after their release.

Information received here by  
Chief Prim during a long period of  
correspondence with police through  
our part of the middlewest  
revealed that Trecise went by the  
name of Harry Marks most of the  
time. He is married and has a  
wife at Hibbing, Minn., and was  
wanted in Chicago for theft of a  
car, and pair of license plates taken  
from another machine, and that  
his father lives at Negaua, Mich.

In the last robbery of the meat  
market, two men entered the place  
of business and at the point of two  
guns ordered Schabo and Clement  
DeYoung into a back room where  
they were tied. While the rob-  
bery was in progress, Mueller entered  
the place and also was tied up  
after \$10 was taken from his  
pockets. Robbery of the cash regis-  
ter in the market netted the men  
only \$8.

# Darboy Youth Is Drowned at Waverly Beach

Succeeds Calles

## Two Hundred Look on as Youth Sinks Before Help Can Reach Him

While more than 200 swimmers looked on, Martin Berben, 15, son of Mr. and Mrs. John Berben, Darboy, drowned in Lake Winnebago at 4 o'clock Sunday afternoon at Waverly beach. The youth had dived from a pier and was attempting to reach an inflated inner tube about 200 yards from shore when he floundered in 10-feet of water and sank.

Two girl companions shouted for help when they saw him disappear but the distance from the shore prevented rescuers from reaching the boy in time.

After a two hour search by seven boat loads of rescue parties, the body was recovered by Arthur F. Zuchlik, Dr. R. R. Lally, and Dr. C. I. Perschbacher. The Appleton police department was summoned and helped drag for the body. The fire department also responded with a plowboat but the boy had been pronounced dead before it arrived.

Funeral services will be held at 9 o'clock Wednesday morning at the Holy Angel church at Darboy with the Rev. Fox in charge. Burial will be at Darboy.

## Discusses Aims Of Finance Board

### Nelson Says Reconstruction Group Designed To Restore Confidence

Restoration of confidence in America is the primary objective of the Reconstruction Finance corporation, Charles C. Nelson, Appleton, told members of the Kiwanis club at Green Bay today. Mr. Nelson is a candidate for congress on the Republican ticket.

Discussing the various purposes of the finance corporation, the speaker said it was created to thaw out frozen assets of business so that the worker, home owner, farmer, factory operator, contractor and banker can resume normal business activities.

"We are suffering from a lack of confidence and to restore that confidence we must have leadership in congress," Mr. Nelson stated. He said he believed citizens of the United States have lost faith in the leadership in congress.

The need for credit rather than the circulation of huge sums of money also was stressed by the speaker. He declared that in 1931, however, \$700,000,000 more money was put into circulation than in the previous year.

Mr. Nelson said insurance companies are the bulwark of the country's financial structure, buying bonds and first class stocks for investment purposes. He said these companies pick securities carefully, but he said that did not prevent the securities from dropping in price during the market crash.

He stressed the importance of loaning these companies enough money on policies so that they can satisfy their policy holders. He pointed out that the loaning of money to insurance companies was another purpose in the creation of the Reconstruction Finance corporation.

Provisions also are made in the finance corporation's plans to aid building and loan associations, so that hundreds of citizens will not lose their homes. He said the Appleton Building and Loan association has secured \$150,000 from the corporation to help its borrowers.

### Crew Starts Work of Trimming City Trees

A crew of tree trimmers working under an experienced tree trimmer started Monday morning the huge task of trimming all trees in the city. Three other crews will be put to work as soon as the work is organized.

Those doing the work are men who are receiving aid from the city and who have been put to work so that part of the money spent in relief can be reclaimed.

No tree topping will be done, but all branches which hang too low over streets or walks or interfere with the illumination from street lamps will be trimmed.

### 5 Cases of Disease Reported Last Week

Five cases of contagious disease, one of measles and four of tuberculosis, were reported to Richard Grim, deputy health officer, last week. Besides these four, there is only one other case of contagion, diphteria, in the city.

### Taxpayer Loans to City Total \$11,600

Short-time loans made to the city on its taxpayer-borrowing plan totalled \$11,600 Monday noon, according to Joseph A. Korn, city treasurer. The highest loan made was \$10,000 and the lowest \$200.

The treasurer's office has been besieged with queries concerning the loans and it is expected that money will continue to flow in until \$75,000 has been borrowed.

Under the plan adopted by the council at its last meeting the city will borrow from taxpayers any amount from \$50 up, on which it will pay 3 per cent interest. The loans will be paid up with tax monies collected next spring. In this way the city, which ordinarily borrows from the banks at 5 per cent, saves 2½ per cent in interest, and the taxpayer with either a small or large amount of money at his disposal has the opportunity of availing himself of a safe, short-term investment.

## Banker's Chart Shows Decline in Prices of Stocks

### Pessimism Out of Bounds Revealed in New York's Picture

BY VICTOR EUBANK (Associated Press Financial Writer)

New York — (P)—A prominent banker—student of charts, trends and indices—has captured the depression, framed and photographed it, and hung it on the walls of his office as an "historical lesson in the depreciation of values."

On June 7 the banker sat at his desk and watched stock prices drift from the ticker. To his analytical mind it looked as though an experiment occurred to him. He called in his secretary.

"Go out and buy me one share of stock in each of 24 corporations whose issues are listed on the New York Stock Exchange and are quoted under \$10 a share," he directed.

"Don't try to select these shares on the basis of earnings, book values or current assets. Just pick out the ones that have been most active in the past two or three years."

The secretary had no trouble in picking up the two dozen shares. And the total expense was exactly \$96. In 1929, at their "highs" the 24 common shares would have cost \$2,596.

The single shares were pasted together in a large ornate frame. The picture no artist can paint" was then photographed and prints mailed to the financier's close friends. "These photographs will be historical some time," he wrote, "because they will prove the point I have been trying to make that pessimism can get out of bounds, that the economic life of this country is not extinct and that confidence in the progress of trade and industry is bound to return."

The stocks, their highs of 1929, the prices at which the banker purchased them, and their closing quotations Saturday, follow:

Adams Exp.	68½	28	47
Allegheny Corp.	56½	1	12
Ann. and For. Pow.	199½	21	52
Ann. Int. Corp.	96½	31	75
Ann. Rad.	55½	4	7
Ann. Smelt.	130½	7½	134
Anaconda	140	41	93
Chi. and N. W.	108½	38	58
Curtiss Wright	30½	1	14
Chrysler	140½	68	104
Fox Film	105½	14	35
Hudson Mtr.	93½	31	61
Int. Tel.	149½	4	23
Kennecott	104½	5½	104
Mo. Pac.	101½	28	38
Montgomery Ward	156½	51	12½
Nat. Cash Reg.	148½	81	102
Lehigh	137½	61	61
Rock Island	143½	31	43
Baldwin	66½	25	61
Penn. R. R.	110	82	128
Radio Corp.	114½	4	23
United Corp.	75½	51	74
Warner Pictures	63	1	23

At Saturday's closing prices the "examples of depreciation" showed a total market value of \$169, or a profit of \$73 on the transaction. The shares, at the prices paid by the banker, showed a depreciation of 96 per cent from their top quotations in 1929.

"This must not be taken as an incentive to speculation," the financier warned. "But it does go to show that being down does not always mean being out, and that there are investment opportunities as great today as heretofore. But, of course, that does not indicate that these stops, picked haphazardly, are investments."

## Democrats Plan Active Campaign

### F. Ryan Duffy to Give Talk at Pierce Park August 29

Preliminary plans for an active campaign previous to the primary election Sept. 20 are being made by Stephen D. Balliet, chairman of the Outagamie County Democratic committee.

Sometime within the next week following the closing of the time for filing nomination papers, Mr. Balliet plans to call together all Democratic candidates for offices and hold a rally session at which they will make an effort to combine their campaign activities that Democrats will vote in their own primary.

Sometime before the primary both William B. Rubin, Milwaukee attorney and candidate for the Democratic nomination for governor, and James Hughes, DePere, candidate for the Democratic nomination for congressman, will appear at several central points in the county to give addresses. It is also planned to have Mayor A. C. Schmedeman, Madison, another Democratic candidate for governor, appear in the county for several talks.

F. Ryan, Democratic candidate for the United States senate, will be the speaker at a rally at 7:30 Monday evening, Aug. 29, at Pierce park.

### Appleton to Get \$6,290 From State As Poor Relief Aid

Appleton will receive \$6,290 from the Wisconsin Industrial commission within the next few days, a letter from the commission to Carl Becher, city clerk, announced today. This is the state's estimate of the return Appleton should have on the money expended in 1931 for outdoor relief.

On a blank submitted to the commission several weeks ago it was established that 25 per cent of Appleton's disbursement would amount somewhere around \$21,000. However, the commission reserves the right to strike out any item it feels does not fall into the category of outdoor relief.

### BACK FROM VACATION

Miss Stella Van Heukon, day girl at the Conway hotel, and Miss Leone Palmbeach, returned Monday from Minocqua, where they spent a week at Dr. Huber's resort. They also visited at Manitowish.

## They Also Say Everybody Had an "Enjoyable" Time

They say:

That breaking bones, bruised shins and ruined digestive systems notwithstanding, the annual street department picnic, held Saturday at Stroebe's Island, was a never-to-be-forgotten event, the like of which the island has never seen. Everybody was everybody's brother, despite the intense rivalry between city officials and street department employees. Losers were good losers, and winners worked overtime spreading the good news.

That the rain couldn't spike the spirit of the picnic—merely shifted the program. While the weatherman was trying to make up his mind the picnickers crowded into the corn crib shack and sang German songs until the rain was over. Those who couldn't get in the shack were "Singing in the Rain"—but that made little difference.

That the street department, stamping out four previous ignominious defeats which the city has never permitted it to live down, finally beat the over-confident city.

That the street department aided by a post in the ground, and about 20 extra brawny arms, won the first pull in the tug-of-war. They say they won the second pull without the aid of an alderman. The last, all's fair in love and war, and they contend that the contest was legitimately won as long as none of their outfit tied the rope to the post. The city gang argues that a flock of elephants couldn't have moved the post, to say nothing of the support given by the street department's foreign enrollment.

That the red noses, squirrel hats, knee breeches and constant "oom-pa-oom-pa-oom-pa" of Freddie Neumann's German band kept up the jocular spirits of the crowd when too many hot dogs, too much tug-of-war and pulling, and too much solo dancing threatened to bring on fancy notions about little car-naps under the trees.

That the city treasurer, Joe Kox, and Charlie Roll discovered that though they might be palatable, it takes too much time to masticate a rubber weiner sandwich.

That the smart derbies worn by the hash-slingers behind the lunch counter were sadly mangled by over-enthusiastic back-slappers.

That a powerful refresher of "Du Liegt Mir Im Herten" seemed to satisfy the Irishmen that they were being properly feted by the German element.

That Roy Dester walked off with most of the prizes. The 100-yard dash was won by H. Neuman, the 50-yard backward race by Roy Dester, the wheelbarrow race by Dester and Ted Albrecht, the sack race by Dester and H. Stroebe, Jr., the balloon blowing contest by George Brautigam, Jr., and the doughnut eating contest by Mayor John Goodland, Jr.

That the band played "Cut Down the Old Pine Tree" often enough to fell every pine tree in the United States. "Hi Le, Hi Lo" was another favorite.

That some of the older street department workers shook their tired bones to the tune of "Ach Du Lieber Augustine" with all the zest they had back in the days of barn dances.

That the committee, Frank Bachman, chairman, Joseph Kox, Joseph Schweitzer, Theodore Albrecht, Louis Wolf, Fred Wirtz and Lawrence McGillan, made some swell arrangements and then saw to it that everybody made the best of them.

That the band played "Cut Down the Old Pine Tree" often enough to fell every pine tree in the United States. "Hi Le, Hi Lo" was another favorite.

## Empire Trade Confab Draws Near Its End

Bi-Lateral Agreements Between Dominions May Be Chief Result

BY FRANK L. WELLER

Ottawa—A prospect that the imperial conference would limit itself to bi-lateral agreements between the dominions and leave the rest of the agenda for the coming world economic conference at which the United States will sit appears as the conference began its third and perhaps final week today.

The general belief was that Great Britain would do something to open her doors wider to the products of the dominions, but that in doing so she would be inclined to confine herself to measures looking to an international revival of trade rather than to purely empire benefit.

It was recalled that the prince of Wales, on the eve of the opening of the conference referred especially to the undesirability of damaging the empire's world trade. "Canada and Australia," he said, "cannot dispense with their world market for wheat. Australia, South Africa and New Zealand cannot do without their world market for wool. The United Kingdom needs a world market for her manufactures. The political differences of the world the empire cannot cure but on the economic side cannot: some message of hope go out to the world, dying in the grip of almost universal (trade) restrictions?"

Trade Revisions

For the most part, it was expected today, the new trade alignments made here will be considered as revisions of most favored nation treaties rather than an attempt to treat the rest of the world, particularly the United States, as competitors.

On the average, the United States States has bought almost \$200,000,000 worth of rubber each of the last five years from the Straits Settlements, \$150,000,000 worth of pulp wood and newsprint paper from Canada as well as \$70,000,000 worth of timber, \$80,000,000 worth of jute from India, \$5,000,000 worth of tin from Malaya and from \$15,000,000 to \$30,000,000 worth of wool, hides and skins from Australia, New Zealand and South Africa, respectively.

In these purchases, it was pointed out, the United States supports

the economic structure of the empire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

the production of rubber more than 15 times as much as all the nations of the commonwealth produced there.

As a result of this, America ap-

pears before the conference far less

as a trade rival than an inci-

perity. Americans have more than

\$5,000,000,000 invested in the em-

pire in a small way, especially in

# New York City Real Center of Political War

Campaign Issues Still to  
Shape Selves for  
Major Parties

BY DAVID LAWRENCE  
New York—This is the political capital of the presidential campaign—Albany and Washington may pull the strings, but the contest itself will be directed and staged from here.

Economy has forced a concentration of effort in New York. But at the same time it has compelled the state organizations to shift pretty much for themselves.

The Republican headquarters is at Chicago but Everett Sanders, Republican national chairman, will find himself in New York most of the time. James A. Farley, Democratic national chairman, is already entrenched here.

Organization work is slow and the money is coming in most intermittently. It is doubtful whether more than \$2,000,000 will be spent by both political parties.

Governor Roosevelt is very much inclined to take a trip to the coast, though some of his aides think it is not necessary and that the delivery of a few well prepared speeches will count for more than constant travel and back-platform appearances.

The issues of the campaign have by no means shaped themselves. Mr. Hoover's acceptance speech will be known in another week, but meanwhile the Democratic side is feeling the effects of the charge that Governor Roosevelt is a radical.

Fight Radicalism Charge

Efforts will be made by his lieutenants to erase that impression. In fact, conferences which Mr. Roosevelt has been holding in Albany and Hyde Park with men like Owen D. Young and Daniel Willard are calculated to remove any implications of radicalism.

Within the last few days the governor has revealed indirectly his views on public utilities and the financing of holding companies so as to erase the idea that he planned to make a special attack on public utilities. He argues that there are good and bad holding companies and that proper regulation is essential for the good of the public as well as the holding companies.

It is also being made clear on behalf of Governor Roosevelt that, if he is elected, he will call prominent conservatives to his cabinet. His supporters point to his record in New York state and contend that while he has been a progressive governor, he should not be classed as radical.

The flurry of the stock market has been the principal event of the week. Both Republicans and Democrats of prominence are already discussing the effect of the rise on the fortunes of Mr. Roosevelt and Mr. Hoover.

The Democratic view is that even if the stock market does get better and business conditions show a decided improvement, this will not immediately put many people back into employment and that the existence of a bloc of between eight and ten million unemployed voters and their families is a big enough group to hold the balance of power in a presidential election. When it is considered that a shift of about 200,000 votes in 1928 would have brought a Smith victory, the difficulties of appraising the outcome of a campaign in which there is a large amount of discontent are apparent.

The early polls being received at Democratic headquarters are so overwhelmingly pro-Roosevelt that the managers cannot quite understand the decisive character of the trend. They get pro-Roosevelt polls not only from states like Illinois but also like Pennsylvania and Maine.

The Republican view is quite the opposite. While they have no polls to show the Hoover strength and are inclined to concede that if the election were held tomorrow it would go pretty much as the Democrats think, the Republicans argue that October will tell a different story. The upturn in the stock market is regarded by the Republican leaders as having already produced a drift back to Hoover which will become more pronounced as there is general improvement in economic conditions. Republicans in other words are staking their whole case on better business and are confident that even though re-employment has not begun on a large scale by election time, the people who have jobs will be strong supporters of the idea of avoiding the gap between November and March in the event that a change in administration were to take place. The argument will be based entirely on the thought that there must be no change in a crisis, particularly when it begins to be apparent that the patient is convalescing.

Both the Republican and Democratic views today are influenced by a typical mid-summer perspective in national campaigns. The issues are yet to be clarified and the appraisal of the presidential personalities on a comparative basis is still to be made.

City Nurse Visited 88  
Homes During Last Month

Mrs. Josephine Versteegen, city nurse, visited 116 patients in 88 homes during July, according to her monthly report. She made calls on patients confined to their homes with colds, bronchitis, pleurisy, constipation, headaches, diabetes, rickets, rölling jaundice, skin diseases, summer flu, goiter, arteritis and chicken pox. She accompanied indigent patients to hospitals, sanatoriums, dentist and doctors' offices, and made 18 visits in the interests of child welfare and social service work. Hours on duty during the month numbered 177.

Water Festival Is  
Planned at DePere  
Plans for a Fox River valley  
water festival sometime during the  
first part of September are being  
made by a group of DePere men  
on the Fox River above the dam  
at DePere. The plan was proposed  
by Prof. A. Enna. Owners of boats  
and yachts of Green Bay, Kau-  
kauna, Appleton, Neenah and Men-  
asha will be asked to participate in  
the festival. The latter part of  
the afternoon will be devoted to  
various boat races, swimming contests,  
log rolling and other water  
sports and in the evening there  
will be a pageant with illuminated  
craft. The Nicolet high school band  
will give its final concert of the  
season that night.

The sloping shore line on both  
sides of the river will be decorated  
and lighted with Japanese lanterns.  
Thursday, Sept. 1, or Friday,  
Sept. 2, have been selected as tenta-  
tive dates.

R. R. Rate Cut  
For Livestock  
Shippers Seen

Conference at Madison

Paves Way for Reduc-  
tion in Wisconsin

Lower freight rates for Wisconsin  
shippers of livestock may be work-  
ed out as a result of a conference  
last week at Madison between rep-  
resentatives of eight railroads and  
the transportation committee of the  
Wisconsin Livestock Marketing  
Federation cooperative. Six Outa-  
gamee-co Livestock shipping associa-  
tions are affiliated with the state  
group.

The committee asked a lower  
minimum of 8,000 to 10,000 pounds  
a lower flat rate on mixed cars,  
stopover privilege for additional  
loading without extra charge and  
that the cost of partitions in mixed  
cars be borne by the carriers.

The railroad representatives  
agreed to ask their roads to apply  
to the public service commission  
for a minimum of 10,000 pounds  
on mixed cars up to 160 miles at  
a reasonable rate, and to consider  
the other requests.

The committee accepted this an-  
swer for present relief but peti-  
tioned the railroads to extend the  
distance limitation of the revised  
staff to 300 miles and to lower the  
minimum load to 8,000 pounds.

Cooperative members participat-  
ing in the conference included Joe  
Schwartz, Spring Green, president;  
Max Leopold, Vesper, vice presi-  
dent; Peter Leykauf, Sauk City,  
secretary-treasurer; W. L. Morri-  
sey, Glen Haven, director; and  
Edward Malcheski, Pulaski, director.

Railroads represented included  
the Soo Line, North Western, Illi-  
nois Central, Green Bay and West-  
ern, Milwaukee Road, Hillsboro and  
Northeastern, and the Chicago Bur-  
lington and Quincy.

## Review of Year's Work Is Planned

A review of the year's work will constitute the program at the August meeting of Women's Missionary society of Memorial Presbyterian church at 1 o'clock Tuesday afternoon at the James Wood cottage on Lake Winnebago. Mrs. Mary Hensel will prepare the review which will be given by various members of the society.

A picnic lunch will be served with Mrs. W. H. Killen and Mrs. W. A. Farmon acting as assistant hostesses. A social hour will follow the program.

Christmas gifts for the missionary box will be collected at this meeting.

The Rev. Ernest Hasselblad, pastor of First Baptist church, and the Misses Mildred Eads and Ida Payzant returned home Saturday afternoon from Green Lake where they attended the Baptist assembly during the past ten days.

The Rev. Mr. Hasselblad taught two courses at the assembly, one on Church History, and the other on the Message and Program of the Christian Religion. The two girls were enrolled in various courses during the ten days. About 140 persons attended the camp. A number of Appleton people visited there on Sunday July 31, for special services and devotions which included a program and sunset service. Dr. M. Wilcox, a returned missionary from China, was the speaker.

A committee to make plans for fall and winter activities of Sacred Heart society of Sacred Heart church was appointed at the meeting Sunday afternoon at the parish hall. It consists of Robert F. McGillan, president; Joseph Hopfensperger, treasurer; and John Feas, trustee. The committee will report at the next meeting. About 15 members were present.

Members are privileged to bring gifts to the meeting of Circle A of First English Lutheran church which will be held at 2 o'clock Tuesday afternoon in the parish hall. The committee in charge of arrangements includes Mrs. William Block, Mrs. Irvin Zumach, Mrs. Gust Solie, and Mrs. Henry Meltz.

Robert Eads, son of Mr. and Mrs. A. R. Eads, 114 N. Union-st. preached the morning sermon Sunday at the Baptist church, Berlin. Mr. Eads has completed his first year at Colgate-Rochester Divinity school, Rochester, N. Y., where he has two more years of study.

The Reading circle of First English Lutheran church will hold a guest meeting at 2 o'clock Friday afternoon at the city park. Mrs. Floyd Foor will read from "Girls of India."

Philip Johnson was the leader at the meeting of Senior Baptist Young People's Union of First Baptist church Sunday night at the church. His topic was Prayer.

### Parties

Mrs. George Utz, 620 E. Franklin-st. entertained at a luncheon Friday at Riverview Country club in honor of her daughter, Mrs. Crosby Boyd, Washington, D. C., who is spending a month in Appleton. Following the luncheon, Miss Joan McGillan, Menash, gave a reading.

Mr. Boyd is expected to arrive in Appleton the latter part of the week to remain the rest of the month.

A miscellaneous shower was given for Miss Verona Schneider whose marriage to Raymond Pausch takes place tomorrow at the home of Miss Vera Cloos, N. Garfield-st. recently. The Misses Cloos and Leone Zimmerman were the hostesses. Cards were in play with prizes going to Mrs. George Ewen, Miss Bess Russell and Mrs. Emily A. Utz.

Christian Mothers' society of St. Thomas church will sponsor a card party at 2:30 Tuesday afternoon at the parish hall. Schatzkopf bridge, and darts will be played. Mrs. Fred DaCarter and Mrs. Earl Heiser will be in charge.

### Flag Tournament to Be Held Tomorrow

The flag tournament which was postponed from last Tuesday because of the rain will take place tomorrow. Ladies day, at Riverview Country club Bridge will be played or those who do not play golf. The regular luncheon will be served at 12:30. Mrs. W. H. Killen, Rounds and Mrs. Gerald Gamm are hostesses for the month of August.

Appleton Girl Bride Of Marshfield Man

The marriage of Miss Helen M. Hanmer, daughter of Mr. and Mrs. C. J. Hanmer, 703 N. Clark-st. to Mr. L. Vaughn, son of Mr. and Mrs. Orville Vaughn, Marshfield, took place Aug. 1 at the parsonage of the Congregational church at Kaukauna, home of Argo. The couple left immediately or a ten day trip. Mr. and Mrs. Vaughn will reside in Marshfield.

Your last chance to get Men's and Young Men's Suits. 2 Suits for \$15. Turn to Page 7.

### Still Swimming

## 160 Attend Dinner Dance At Riverview Golf Club

A number of private parties featured the dinner dance at Riverview Country club Saturday night which was attended by over 160 persons.

Miss Betty Buchanan, daughter of Mr. and Mrs. G. E. Buchanan, 1005 E. College-ave., was hostess to four couples in honor of Miss Jean Rascy, Wauwatosa. Mrs. Charles L. Marston, 204 N. Park-ave., entertained a party of eight.

Miss Doris Kerwin, 516 E. Forest-ave., Neenah, entertained 22 guests at the party, and James Sensenbrenner, Neenah, had a number of guests, several of whom were from Oshkosh. Mrs. George Gaylord, N. Park-ave., Neenah, entertained 19 in her party, and Mrs. Elizabeth Armstrong, Neenah, was hostess to another group.

Butte des Morts Golf club women have been invited to take part in a tournament Tuesday at Oshkosh. A number of golfers have signed up for the event.

### French Women Prepare Fresh Suffrage Drive

Madame Curie, Co-Discoverer of Radium Cure One Of Leaders in Campaign

Paris — In a "do or die" spirit, French feminists are massing their forces for the biggest women's rights drive they have ever launched, determined to obtain passage of the women's suffrage bill recently referred back to committee by the senate.

Meanwhile the attack of hostile senators on the measure during the five day debate preceding the urgencies vote has caused two of the most important women in France to express their faith in the suffragists' cause. Senator Beauverang.

Both Madame Curie, co-discoverer of radium, and the Comtesse de Noailles widely known poet, replied to Senator Louis Barthou's declaration that they were "unfavorable" to women's rights, by published statements that they thought "the principle essentially just, and that it must eventually be recognized."

The action of the upper house in defeating by a vote of 233 to 40 a measure calling for "urgent consideration" (i. e. an immediate vote) was "the best thing that could have happened" and has given them new courage, suffragists say.

It sent the bill back to committee, which will report it out for new discussion after the election of approximately 100 new senators in October. Passing of the question of urgency would have forced a vote virtually certain to result in defeat for the feminists.

Now, spurred on by the fact that the suffrage bill weathered a senatorial storm, cards will provide entertainment for the adults, and there will be a program of games and contests to amuse the children.

Miss Marie Landry is chairman of the picnic and Mrs. Mabel Reinzer is assistant chairman. Others on the committee include Mrs. Mary Landry, Mrs. Mary Lourish, Mrs. Alice Long, Mrs. Mathilda Lueders, Mrs. Catherine Letter, Mrs. Anna Massonette, Mrs. Mary Marx, Mrs. Mildred Miller, Mrs. Frances Morrow, Mrs. Mary Matz, Mrs. Grace Mullin, Mrs. Selma Mignon, Miss Genevieve Mortell, Mrs. Susan Robedieu, and Mrs. Nettie Roble.

The third annual Central Wisconsin Knights of Columbus picnic was held Sunday at Silver Lake, Wild Rose, with Knights and their families from a number of councils in attendance. Families brought basket lunches and remained for the day's activities which included swimming, boating, baseball games, horseshoe tournaments, and other entertainment.

Another event for Knights of Columbus was a golf tournament Sunday at Teakodah Country club, Fond du Lac. Play began at 8:30 and refreshments were served at the club house.

The Forester by-laws committee will read the new by-laws at the meeting of Catholic Order of Foresters at 8 o'clock Tuesday night at Catholic home. The laws will then be put up to the members for adoption.

### 50 Appletonians At Moose Picnic

#### At West DePere

About 50 Appleton people, including members of Loyal Order of Moose and their families and friends, attended the Moose picnic Sunday at Northeastern Wisconsin fair grounds at West DePere. The Appleton Moose baseball team defeated a team from the Kaukauna Lodge, 7 to 6.

Motorcycle races and stunt riding were outstanding features of the afternoon's program, and the children were entertained at games and races, prizes being awarded for each event. La Verne Dilwig had charge of the games.

# Schommer and Ruehl Capture Valley Title

Milwaukee Team Wins Way Through Competition at Neenah

Neenah — Billy Schommer and Ruehl of Milwaukee, were the winners Sunday afternoon in the final of the annual Fox River Valley doubles tennis tournament held at Doty Tennis club courts, defeating Wegener of Milwaukee, and Erler Wegener of Milwaukee, and Erler defeated Curtis and Wallace of Evanston, Ill., by a score of 7-6, 6-6, in the semi-finals.

The tournament began Saturday morning in the first round Pipcorn and Richardson of Oshkosh, defeated Paul and Billy Strange of Neenah, 6-0, 3-6, 6-2; Howes and Schreider, Oshkosh, defeated Pierce and Sund, Menasha, 6-1, 6-1; Shannon and Clapp, Appleton, defeated Strutz and Held, Green Bay, 6-1, 6-1; Snell and Bahr, Madison, defeated Williams and Thalke, Neenah, 6-1, 6-1; Holzman and Thomas, Neenah, defeated C. Smith, Neenah, and Joys, Milwaukee, 6-3, 6-2.

In the second round Schommer and Ruehl, Milwaukee, defeated Pipcorn and Richardson, Oshkosh, 6-1, 6-3; Howes and Schreider, Oshkosh, defeated Pierce and Beckerman, Neenah, 4-6, 6-4, 8-6; Dewey and Kelley, Milwaukee, defeated Hutchins and Trier, Fond du Lac, 4-6, 7-5, 7-5; Kelly and Vetter, Neenah-Menasha, defeated Bliecker and Anger, Oshkosh, 6-4, 6-3; Clapp, Appleton, 6-4, 6-3; Snell and Wegener and Erler, Milwaukee, Madison, defeated Shannon and Clapp, Appleton, 6-4, 6-3; Snell and Bahr, Madison, defeated Parker and Hanson, Neenah, 6-1, 7-5; LaBorde and Landis, Appleton, defeated Holzman and Thomesen, Neenah, 6-0, 6-3; Curtis and Wallace, Evanston, defeated Larson and Landis, Neenah, 6-0, 6-4.

In round three Schommer and Ruehl defeated Howes and Schreider, 9-7, 6-1; Kelly and Vetter defeated Kelly and DeWeese, 6-3, 9-7; Wegener and Erler defeated Snell and Bahr, 6-4, 6-4 and Curtis and Wallace defeated LaBorde and Landis, 6-4, 4-6, 9-7.

The winner takes the J. C. Kimberly trophy for the year while the runner-up takes the D. K. Brown trophy. Ideal weather and a large number of entrants among which were some of the best players in Wisconsin, made the 1932 tournament one of the finest held so far on the local courts.

## All Candidates for Assembly File Papers

Neenah — All candidates who were circulating nomination papers for the primary election in September for the office of assemblyman in the Second district, have now filed papers at the county clerk's office. L. O. Cook of Neenah, a Republican, was the last to file. He will oppose Neils Larson, incumbent for the Republican nomination at the primary. William C. Grimes, town of West Menasha, will represent the Democrats and O. A. Zuehlke, the socialists.

Papers also have been filed by Earl E. Fuller, county treasurer, who is seeking reelection. He is a Republican. Martin Potratz, Neenah, present coroner, has filed his papers.

## League Leading Team Defeats Oils, 15-9

Neenah — Quinn Brothers League leading softball team, defeated the Shell Oils Sunday morning in a makeup game by a score of 15 and 9 at Columbian park diamond.

Toeppler and Jorgenson did the pitching and catching for the winners and Raichel, Madison and Nagarschik made up the Shell battery. The Shells were held to a 15 to 3 score up to the last time up to bat when six runs were scored.

In the afternoon Quinns traveled to Oshkosh and defeated the South Side Merchants by a score of 3 and 2 in 11 innings.

## Neenah Society

Neenah — Misses Catherine Ayward, Margaret Staffeld and Leona Larson, entertained a group of young women Saturday at a 1 o'clock luncheon in honor of Miss Beatrice Haase who is soon to be married to Lieutenant John Kezey of Ft. Cook, Kansas. Bridge followed the luncheon.

Mr. and Mrs. Julius Pagel entertained a family reunion Sunday at their home on Higgins-ave. Children and grandchildren were the guests among them being Albert, Carl and Gustave Pagel of Milwaukee. A dinner was served at noon followed by a social time.

## Kiwanis Club to Meet at Riverside Park

Neenah — Kiwanis club will hold its Wednesday noon luncheon and meeting at Riverside park this week. Merchants in a recent membership campaign will entertain the losers. Following the meeting an hour will be spent in baseball, the team captained by Louis Haase, having challenged a team composed of the remaining club membership.

## Neenah Merchants in Win From DePere, 3-0

Neenah — The merchants team of the Little Fox valley league, defeated the DePere team Sunday afternoon by a score of 3 to 0. The Sunday game gives Neenah eight wins for four losses so far this season and places it in a three-way tie with Appleton Merchants and Green Bay.

## \$15,000 Damages Asked by Neenah Resident in Suit

Neenah — A suit to recover \$15,000 for alleged injuries and damages has been started in municipal court by Mrs. O. B. Baldwin against Mr. and Mrs. John Tempelis of Neenah. The suit is results of injuries alleged by Mrs. Baldwin that she received when she fell down an open cellar stairway in the Tempelis building in which she was a tenant. In the fall she fractured her shoulder and broke an arm which kept her at Theda Clark hospital for several weeks. It was while Mrs. Baldwin was on her way through the rear part of the Tempelis building, occupied by Mike Karas as a storeroom, that she did not see the open stair door in the floor and fell to the basement.

## Complete First Round in Turney

### Announce Pairing for Second Round of Play At Ridgeway

Neenah — First rounds of the annual Ridgeway golf tournaments were completed Sunday afternoon, with exception of one or two matches in the secretary's flight as contestants were ill.

Pairings for the second round, which must be completed by Aug. 13, in the championship flight has D. W. Bergstrom playing Dr. O'Keefe; George Gilbert playing Elmer Schultheis; G. Comstock playing C. W. Sawyer; and G. Munderling playing Dewey Bender.

In the president's flight, Harry Peck will play G. L. DuBois; E. Glomstad, M. Jeske; W. H. Brown, A. Hennig, and H. Blahnick, Dr. Pett.

In the vice president's flight G. Hudson will play E. Fahrback; H. Meyer will play F. Gardner; A. Fox drew a bye, and E. B. Hooper will play Joseph Muench.

In the secretary's flight, Lyle Stip will play the winner of the Williamson-Hewitt match; H. Tuschscherer will play Joseph Weisheit; H. Anger will play Clark Weise.

Pairings for the first round of the women's tournament has Mrs. Brown playing Mrs. J. C. Young; Eva Jensen playing Mrs. W. Finch. In the second flight Mrs. H. E. Fisher will play Mrs. R. Fahrback; Mrs. H. Glick will play Mrs. M. Jeske; Mrs. F. Sawtelle drew a bye and Mrs. C. Weise will play Mrs. N. Webster.

## Neenah Personals

Neenah — Mrs. John Solomon and children spent the weekend with Clintonville relatives.

Aaron Ihde, Chicago, is spending a week with his parents, Mr. and Mrs. John Ihde.

Mr. and Mrs. Harry Brown of Milwaukee, spent the weekend with Mr. Brown's parents, Mr. and Mrs. H. M. Brown.

Mr. and Mrs. Otto Lieber have returned from a week's auto trip into Canada.

The Rev. and Mrs. H. Gaylord Knox and family of Preble, Siam, are house guests of Mr. and Mrs. J. N. Bergstrom.

Mrs. John Williamson and son of Niagara Falls, N. Y., are visiting at the home of Dr. and Mrs. Williamson.

Misses Mable and Esther Bylow of Chicago, are visiting their parents, Mr. and Mrs. P. J. Bylow.

The Rev. E. C. Kollath and family and the Clarence Weise family are spending a few days camping at Silver lake.

Mr. and Mrs. Kenneth Chapelle of Joliet, Ill., spent the weekend with relatives here.

Mrs. Veda Burr has returned from Joliet, Ill., where she has been visiting relatives.

Mrs. Lester Johnson has gone to Joliet, Ill., where she will visit Mr. and Mrs. David Green, formerly of Menasha.

Mr. and Mrs. Ambrose Owens and son have gone to Wausau to spend a week with relatives.

Mr. and Mrs. A. Hennig, Mr. and Mrs. Arthur Sawyer, Miss Eva Johnson and Harry Peck spent the weekend with Mr. and Mrs. Ray Carter at their summer home at Pine lake.

A son was born Sunday at Theda Clark hospital to Mr. and Mrs. Ben Toldard.

Wesley Olson submitted to an emergency operation for appendicitis Sunday at Theda Clark hospital.

Henry Rath, Appleton, Kenneth Ducharme and Mrs. Thad Sheerin

## WHEN FIRE RAZED FAMOUS MONASTERY

## Little Chute Is Trounced, 4-2, by Menasha Falcons

### Errorless Ball, Behind Konetzke's Pitching, Defeats Visitors

Menasha — Playing errorless ball behind Manager Tony Konetzke's pitching, the Menasha Falcons defeated Little Chute, 4 to 2, in a closely contested Little Fox league encounter at the city ball park here Sunday afternoon. Konetzke allowed eight hits but tightened down in the pinches to check the Little Chute offensive.

A. Wildenberg, working on the mound for the visitors, was nicked for only four hits, but three of them, bunched with a walk in the sixth inning, gave Menasha the ball game. The only two Little Chute markers were scored in the fourth frame when Van Devee followed Verbrick with a home run.

Neither team scored in the first inning but in the second, Dombrowski, batting in the clean up position for the Falcons, drove out a triple and crossed the plate on Stietz's long fly to center field. Van Devee's homer gave the visitor's a one run advantage in the fourth, but the Falcons retaliated with a three run flurry in the sixth inning.

Dombrowski opened with his second hit of the day and stole second. Zeneski walked. Stietz singled to score Dombrowski, and Zeneski cross the plate on Zelinski's fly out. Omar grounded to the pitcher but Konetzke doubled to score Stietz before Nadolney grounded out to retire the side.

Clinging to their two runs advantage, the Falcons set down the opposition in one, two, three order in the seventh and eighth innings and nipped a possible rally after Verbrick singled to open the ninth frame for Little Chute. With Verbrick on first, Van Devee fouled out. Lamers, a pinch hitter, forced Verbrick at second, and Kutzky, another pinch hitter, grounded out to retire the side and end the game.

Box score:

Little Chute	.....	000 200 000-2
Menasha	.....	010 003 002-4
	AB R H E	
Luccassen, 3b	.....	2 0 0 0
U. Wildenberg, 1b	.....	4 0 1 0

	32 2 8 1	
*Batted for Verstagen in ninth.		
**Batted for Van Zeland in ninth.		

•Batted for Verstagen in ninth.

•Batted for Van Zeland in ninth.

## Two Menasha Pitchers Pounded by Doemel Dairies for Win

### JACOB HANSON

Neenah — Jacob Hanson, 66, a former Neenah resident, died Saturday night at his home at Pasadena, Calif., following an illness of several weeks. Mr. Hanson was born March 24, 1886, in Denmark, coming to Neenah when he was two years of age. When a young man he became engaged in the wholesale cheese business and later forming the J. Hanson and company, which he operated until 1918 when he sold out and left for the west. Surviving are the widow and three children, Mrs. F. A. Cushing Smith and Mrs. P. M. Rothe of Willmette, Ill., and Harold Hanson of Neenah. There are also two step daughters, Mrs. J. N. Naarup of Pasadena, Calif., and Mrs. Newton VanDalsem of Los Angeles, Calif.; one sister, Mrs. A. J. Hough of Pasadena, Calif., and one brother, P. N. Hanson of Deadwood, S. D.

The body will be brought to Neenah for burial, announcements of the funeral not having been made.

### MRS. A. KLAWEITER

Neenah — Mrs. A. Klaewetter, a resident of the twin cities 30 years ago, died Saturday night at St. Paul, according to a message received by relatives here. Mrs. Klaewetter was one of a family of 12 daughters and two sons born to Mr. and Mrs. J. Luedtke, now deceased. Among the sisters and brothers who have gone to St. Paul to attend the funeral are Mrs. August Zemlock, Mrs. Julius Luedtke and Mrs. Julius Luedtke of Menasha.

Badger Nadolney, Menasha third baseman, opened scoring in the initial inning with a home run. In the second, an error and three hits including a triple by Peck, gave the Falcons three more counters, but two more runs in the fifth completed the Menasha scoring for the day. "Dazzy" Mayefski and Stietz shared mound duties for the Falcons with Peck and Omar catching.

### MYRE FUNERAL

Neenah — Funeral services for Mrs. John O. Myre, 60, who died Saturday morning from a complication of diseases, will be held at 10 o'clock Tuesday morning from the home at 1111 Harrison-st. The services will be conducted by the Rev. C. E. Fritz, pastor of St. Paul English Lutheran church. Burial will be at Oak Hill cemetery.

### MAKE SURVEY OF CITY IN Jobless Program

Menasha — Further projects possible under the new city plan for putting men, who are receiving aid, to work on city improvements were investigated in a tour of Menasha by a committee composed of Alderman Michael Grode and Philip Michalkiewicz of the street committee and Vernon Gruber, park superintendent, Sunday.

A large number of projects, which, if authorized by the council, will provide work for several months, were outlined by the committee and a report to the council is expected at the next regular session. The list includes street ditching work, tree trimming, weed cutting, and similar improvements which can be completed at no additional expense to the city.

### Two Pastors Return From Their Vacations

Menasha — The Rev. Malcolm J. Van Zandt returned to the pulpit of St. Thomas Episcopal church Sunday morning following a month vacation. The Rev. Alfred Duvaline of Joplin, Mo., officiated during the rector's absence.

The Rev. Van Zandt officiated at Holy Communion at 8 o'clock and presented a sermon entitled "The Mount of Transfiguration" at the Wauconne cemetery. Burial was at Wauconne.

Several members of Henry J. Lenz post of American Legion attended the opening of the new Legion club at Oshkosh Saturday evening. The evening was spent socially.

The Rev. John Best, pastor of the First Congregational church returned to the pul

# Salem Church To Celebrate Fiftieth Year

## Anniversary of Clintonville Congregation to Last Three Days

(Special to Post-Crescent)

Clintonville—Salem Evangelical church of this city will celebrate its fiftieth anniversary Thursday, Friday and Sunday. Special anniversary services on Thursday and Friday evenings will begin at 7:45 o'clock. The Rev. G. E. Zellmer is pastor of the church.

There will be two services Sunday, the morning service at 10:45 and the evening service at 7:45. Special singing will be a feature of services. The local choir, male quartette, Union Male quartette and Maple Creek choir will participate.

Those who organized the first Evangelical church here 50 years ago were Mr. and Mrs. Herman Beck, Mr. and Mrs. William Nass, Mrs. Plopper, Mr. and Mrs. John Below, Mr. and Mrs. Fred Ewert, Albert Boehm, Mr. and Mrs. Ernest Stoll. Services were conducted first in the homes and later in a small hall. The small group was served by ministers from the New London and later from the Pella circuit. In 1882, the group numbering 36 became organized and first church was erected under the leadership of the Rev. A. M. Finger.

Several former pastors will participate in the Golden Jubilee program Thursday. Addresses will be given by the Rev. O. J. Bernhard of Alma, a former pastor, and the Rev. John Nickel of Belle Plaine.

On Friday the Rev. William F. Berg of Greenville, another former pastor, and the Rev. L. G. Moland of Clintonville, will speak. An ice cream and cake social will be held on the church lawn after the evening services. At 9:45 Sunday morning Sunday school classes will meet with Henry Beck superintendent and at 10:45 the sermon will be given by P. Schneider, district superintendent. Holy communion will be observed at the morning services. At 7:45 p. m. in the evening devotional services will be conducted by the Rev. E. A. Lau of Marion, and the sermon by Mr. Schneider.

S. J. Tilleson, Clintonville postmaster, spent Thursday and Friday at Beaver Dam where he attended the annual convention of the Wisconsin Association of Postmasters.

Mrs. Melvin Larson, daughter Janet and son Donald were guests the past week at the home of the former's sister, Mrs. W. A. Evers in Wausau.

Miss Esther Tilleson returned Saturday from a visit with friends in Milwaukee. She will spend a month with her mother, Mrs. Julia Tilleson here after which she will resume her duties as teacher in Oshkosh Junior high school.

Mrs. S. H. Sanford and children Cliff and Mary Jane will return home Wednesday from Madison where they have been spending the past six weeks.

**Car Damaged as it Hits Pole, Driver Is Unhurt**

New London—Enroute to New London early Sunday morning a car driven by George Smith left the road on Highway 34 a short distance east of Northport. The car swerved in loose gravel on the shoulder of the road, went into a ditch and snapped off a pole. Mr. Smith was uninjured, but the top of his car was badly damaged and windshield was also broken.

## Hortonville Wins From New London

Special to Post-Crescent

New London—Hortonville defeated the Plywoods in an indoor game at Hortonville Sunday morning 12-11. Ebert pitched good ball for the losers until the ninth inning when Hortonville bats got on to his fast ball and pounded in five runs. Schwebes pitched for Hortonville and held the heavy hitting Plywoods fairly well. Bessett was the only man to smash out a home run on Schwebes' pitching.

## New London Golf Squad Defeated

### Clintonville Again Defeats Springvale Team; Score, 33-25

Special to Post-Crescent

New London—Playing on the Springvale course Sunday afternoon New London golfers, in a match play with the Clintonville club, lost 33-25. This was the second defeat of the season as the home club last a previous match to the same club. On Sept. 1 local players will meet Waupaca on the Waupaca course. In Sunday's match E. W. Wendlandt had low score for 18 holes with an 83. Harold Heuer was low man for the visitors with an 83. Following are the scores with the New London players first and Clintonville second: E. W. Wendlandt, 3; Hurley, 0; G. H. Putman, 0; Miller, 0; McDaniel, 0; Murphy, 2; R. Fitzgerald, 0; McCauley, 2; Harquist, 3; Tilleson, 0; Robison, 0; Sanford, 3; Spearbraker, 2; Spang, 0; McMahon, 2; Greb, 1; Wendlandt, 0; Billings, 2; R. Putman, 2; Thompson, 1; Butler, 3; McEachern, 0; Stoer, 3; Bahr, 0; Melchjohn, 0; H. G. Heuer, 3; H. Schulz, 1; Holmes, 2; F. Schulz, 0; O'Connell, 3; Cline, 0; Stinchman, 3; Vondrie, 0; Felslow, 3; Krueger, 0; Voelz, 3; H. Zaug, 3; L. Heuer, 0; Burns, 3; Devine, 0; Crane, 0; Martin, 2; McPeek, 0; Rulsen, 3.

## New London Personals

(Special to Post-Crescent)

New London—Mr. and Mrs. Clarence Tribby entertained Sunday, guests included Mr. and Mrs. John Ermel and Mr. and Mrs. Lester Miller of Fond du Lac and Mr. and Mrs. Dan Wulff of Marion.

Mr. and Mrs. Bert Haskell and daughters will leave this week to spend several days camping near Minocqua.

Those attending the funeral from out of town were: Mr. and Mrs. August Buss and family, Mr. and Mrs. George Buss and family, Little Wolf Mr. and Mrs. Mundinger, Mr. and Mrs. Alfred Reinken, Bloomfield; Mr. and Mrs. Alvin Wendell, Dale; Mrs. Charles Ziebel, Oshkosh; Mr. and Mrs. William Godson, Wild Rose; Mr. and Mrs. William Kuchenbecker, Neenah; Mr. and Mrs. Herman Ernst, Northport; Mr. and Mrs. Edward Ernst, Sycoyo; Mr. and Mrs. Avery Henzel, Marion; Harry Witt, Neenah; Mr. and Mrs. William Metzig, Neenah; Mr. and Mrs. Ervin Purdy, Stevens Point; Mr. and Mrs. Elmer Thierne, Mr. and Mrs. Robert Tressler, Mr. and Mrs. Frank Kiesow, Readfield; Mr. and Mrs. Robert Ernst, Mr. and Mrs. Fred Ernst, Caledonia; Mr. William Godson and family, Poyssipp; Mr. and Mrs. Louis Waller, Omro; Mr. and Mrs. Herman Kuchenbecker, Allenville; Mr. and Mrs. August Ernst, Menasha; Mr. and Mrs. William Ernst, Wausau.

Miss Esther Tilleson was hospitalized Saturday from a visit with friends in Milwaukee. She will spend a month with her mother, Mrs. Julia Tilleson here after which she will resume her duties as teacher in Oshkosh Junior high school.

Mr. and Mrs. Harold Dahlke and son Bobby have returned from a vacation spent with relatives and friends at Neshkora, Oshkosh, Coloma and Westfield.

## Eighthieth Birthday Observed at Sliotcon

Special to Post-Crescent

Sliotcon—A number of friends of Mrs. Laura Twichell gathered at her home Wednesday afternoon to assist her in celebrating her eightieth birthday anniversary. The afternoon was spent socially. Guests present included Mrs. Rosella Jones, Mrs. By Palmer, Mrs. Elmer Anna Son, Mrs. Laura Kaufman, Mrs. Tressa Allender, Mrs. Robert Black, Mrs. Adams, Mrs. Clark Wilcox, Mrs. Thomas Peep and Mrs. George Miller.

## 6 People From Milwaukee Hurt In Car Accident

### All Suffer Bruises, Cuts as Auto Leaves Road And Is Demolished

Special to Post-Crescent

New London—Six Milwaukee residents figured in an automobile accident early Sunday morning when their car left the road, went into a deep ditch, crossed a roadway into another ditch and ended in a miniature golf course at Ted's tavern on Highway 26. While the car was careening across the ditches two telephone poles were mowed down.

One of these was thrown directly into the path of Fay McFaull's car. Mr. McFaull, with his brother, Lansing, was traveling north a distance in advance of the Milwaukee car. The driver of the Milwaukee car, Clementine Krzyzaniowski, apparently in trying to pass the McFaull car pulled the steering wheel in the wrong direction, causing the car to leave the road. The McFaulls, residents of New London, immediately placed the injured persons in their car bringing them to the Community hospital. In the Milwaukee car were Mrs. Stanley Krzyzaniowski, her son Henry, 12, Mrs. Joseph Piegowski, and baby, Frances, and John Knurowski, all of Milwaukee. With the exception of Miss Krzyzaniowski, who suffered severe scalp injuries, the remainder of the party was able to leave the hospital on Sunday. All suffered from cuts, bruises and severe shock.

Telephone service on the rural lines which branch out from this intersection were temporarily disrupted, and a crew worked through Sunday to repair the wires and set new poles. The car was completely wrecked. The accident occurred about 6 o'clock Sunday morning as the party was proceeding to Antigo.

## Many People Attend Funeral at New London

Special to Post-Crescent

New London—The funeral of Mrs. Elmira Fergot, whose death took place last week at a Fond du Lac hospital, was held Saturday afternoon at Emmanuel Lutheran church, the Rev. Walter Pankow in charge. Walter was in the Caledonia cemetery.

Those attending the funeral from out of town were: Mr. and Mrs. August Buss and family, Mr. and Mrs. George Buss and family, Little Wolf Mr. and Mrs. Mundinger, Mr. and Mrs. Alfred Reinken, Bloomfield; Mr. and Mrs. Alvin Wendell, Dale; Mrs. Charles Ziebel, Oshkosh; Mr. and Mrs. William Godson, Wild Rose; Mr. and Mrs. William Kuchenbecker, Neenah; Mr. and Mrs. Herman Ernst, Northport; Mr. and Mrs. Edward Ernst, Sycoyo; Mr. and Mrs. Avery Henzel, Marion; Harry Witt, Neenah; Mr. and Mrs. William Metzig, Neenah; Mr. and Mrs. Ervin Purdy, Stevens Point; Mr. and Mrs. Elmer Thierne, Mr. and Mrs. Robert Tressler, Mr. and Mrs. Frank Kiesow, Readfield; Mr. and Mrs. Robert Ernst, Mr. and Mrs. Fred Ernst, Caledonia; Mr. William Godson and family, Poyssipp; Mr. and Mrs. Louis Waller, Omro; Mr. and Mrs. Herman Kuchenbecker, Allenville; Mr. and Mrs. August Ernst, Menasha; Mr. and Mrs. William Ernst, Wausau.

Miss Esther Tilleson was hospitalized Saturday from a visit with friends in Milwaukee. She will spend a month with her mother, Mrs. Julia Tilleson here after which she will resume her duties as teacher in Oshkosh Junior high school.

Mr. and Mrs. Harold Dahlke and son Bobby have returned from a vacation spent with relatives and friends at Neshkora, Oshkosh, Coloma and Westfield.

## Car Damaged as it Hits Pole, Driver Is Unhurt

Special to Post-Crescent

New London—Enroute to New London early Sunday morning a car driven by George Smith left the road on Highway 34 a short distance east of Northport. The car swerved in loose gravel on the shoulder of the road, went into a ditch and snapped off a pole. Mr. Smith was uninjured, but the top of his car was badly damaged and windshield was also broken.

## The Faithful Cheat

BY RUBY M. AYRES

Chapter 11  
LOOKING INTO THE FUTURE  
BEATRICE came rushing across

B to Sondra and John like a small whirlwind.

She had even forgotten that her dressmaker was pressing for payment—she had forgotten everything except that with every moment the distance between her and Mark Merriman was increasing by hopeless miles. She took up the little handbag.

The letter was still there, carelessly doubled up as if it was something of no importance.

Sondra tore the flap open without much interest.

What did it matter whether she wore pretty gowns or not? There was no longer anybody in town whom she cared to please.

She flushed a little as she mechanically counted the crisp banknotes.

One thousand dollars! She let the money slip from her fingers to the dressing-table.

Nobody would ever believe her if she told them that in return for such a gift she had given nothing—would never give anything; people would laugh if they knew that moreover Anderson had never asked anything of her—probably never would ask.

It seemed an unusual sort of friendship—affection.

It was so seldom that even a very rich man gave generously without hope of return.

Mark would be horrified; Mark would never understand. She could imagine his indignation.

Some day he would come back!

For the first time Sondra looked honestly into the future and tried to realize what life would be then—if ever—Mark came home.

She knew that if he made money all would probably be well, but if not—if he came back as he went away—poor, without prospects—what would become of them?

Could she face life in a suburban house—even with his love? She knew that she could not.

There was always John; John would do anything for her—and he would see to Mark's future. Influence meant so much nowadays; the thought comforted her.

Of course Mark would get on—he would make a position in the world, and they would find happiness together.

And in the meantime—

It was not yet 24 hours since they had said goodbye and already it seemed as if it was years ago that she had stood on the pier trying to hide from the world that Mark meant anything more to her than just an ordinary friend who was going abroad.

Not yet 24 hours' and it might be five years before they met again.

Was it possible to still love a man passionately whom one had not seen for five years? People changed so. Mark might grow stout or bald...

...she smiled involuntarily at the thought.

Five years! Five summers, five winters—five glorious springs and all without Mark. She was his wife, though they had lived together for only a few short hours: she would still be his wife in five years' time—even if he came back stout and bald.

But Mark would come back as he had gone away—keen, upright, alert...

Suddenly tears dimmed her eyes as she recalled his face; how horrible of her to have such thoughts of him.

Flora came into the room unceremoniously.

"Not ready yet, of course" ... she said dismally. "The car's waiting—do hurry up. Here's a wire for you—it came hours ago, but I forgot about it." She flung the yellow envelope down on the dressing-table beside Anderson's binknobs.

Her eyes narrowing as she saw them, she made no comment.

"Will John Anderson be over tonight?" she asked.

"I believe so." "You believe so? Don't you know? But I suppose it's stupid to ask. He's always to be found where you are. Why in God's name doesn't he get rid of his wife?" she demanded.

"You'd better ask him," Sondra said.

"Would you marry him—if he was free?" Flora asked.

"No."

"Why not?" Flora asked.

Copyright, 1932, by Ruby M. Ayres

Sondra receives an unpleasant shock tomorrow when her sister says "It's a good thing you didn't happen to care for Mark."

# Kaws Rally In Ninth to Whip Shawano

Score Four Runs in Last  
Frame to Stay in  
Pennant Race

Kaukauna—A ninth inning rally that netted four runs saved the Electric city Indians here Sunday afternoon, giving the Kaws a 6 to 5 victory. Kaukauna needed the victory to retain its place in the valley league. Phillips' double started the Kaws bats cracking and Pocan sent a liner over the right field wall also scoring Smith to tie the score. Handy, Shawano catcher allowed Collins to score on a passed ball.

Collins followed Pocan with a double that hit the center field fence after Brueche had replaced Rubin on the mound. Stealing third, Collins tallied the winning run on Handy's passed ball.

Kaukauna trailed up to the sixth when they knotted the count at

## Lamers Is Honored By Teammates, City

Kaukauna—Manager Mary Lamers was honored at the Shawano—Kaukauna baseball game Sunday afternoon. Mary's day all right, because he got just about everything he wanted and a little more. Mary was the recipient of several gifts. His teammates presented him with a 6 to 5 victory and a traveling bag, the ladies presented a huge basket of flowers, and he had a wonderful day on the diamond and at the plate. He hit safely three times out of four trips to the plate, had no errors, and scored one run.

Royal Neighbors of American Lodge will hold a picnic at the Tourist park Tuesday afternoon. Members are requested to meet at the park at 2 o'clock. Cards will be played during the afternoon. Each member has been asked to bring one covered dish, sandwiches and dishes.

Holy Name society of Holy Cross church will approach communion in a body at the 8:15 services next Sunday morning.

The annual Harvest picnic was held at High Cliff park Sunday, Wednesday, Aug. 10. The park will be the scene of an outing for the Calumet-co Cheesemakers' Association.

Women's Foreign Missionary society of Brokaw Memorial Methodist Episcopal church will meet at 3 o'clock Wednesday afternoon at the home of Mrs. C. L. Hammond. Hostesses will be the club officers.

One marker for the Indians came in the second frame when Wittig doubled, advanced to third on a long fly and scored on another fly out to deep left. The second tally was garnered in the fourth inning on three singles. Schreers, Berka and Wittig singled with Schreers scoring on third hit.

Meanwhile Rubin held the Kaws sluggers to two hits. In the fifth Kaukauna opened fire with a single by Fortin. Fortin advanced on Phillips' single and Reed's error of Smith's grounder. With the sacks loaded Rubin walked Pocan and Fortin was forced in. Collins fanned to end the inning. Again in the sixth the Electric city nine tallied a run this time to tie the count. Lamers cracked a liner to the centerfield fence and arrived safely on second. Stealing third he scored on Schreers' error of Wenzel's fly.

Two runs came in during the seventh for Shawano. The Indians opened the inning with Rubin popping out to Pocan at shortstop. Berka and A. Reed duplicated. Schreers was caught at home. Waukechon singled, and Schreers, when he attempted to score on Berka's single and the rally ended with Wittig fanning. The last marker came in the eighth when Bud Reed singled to start the inning. Reed advanced to second on Wege's fly out to left after Handy had fouled out to Wenzel. Rubin singled to score Reed and Waukechon rounded out to Collins.

Kaukauna again settled to his less ball until the ninth when Phillips started the ball rolling. His hit went for a double although the ball bounded out of the park. A ground ruling specified that in such instances the batter should be credited with a two-base hit. Shawano apparently had the game in the bag when Phillips liner started the rally that ended the game with the Electric city nine on the long end of the count.

# Oney Johnston Juniors Win State Legion Baseball Title

**W. Fredericks**  
Gives 2 Hits;  
Score 5 and 0

**Southpaw Also Hurled**  
Four Innings of Saturday's Battle

**BY GORDON R. MCINTYRE**  
ONEY JOHNSTON post junior baseball team today is the state champion in American Legion circles and to Wilbert Fredericks, a ruddy, freckled faced youngster goes the lion's share of the credit.

Fredericks is hurler for the Appleton club and his southpaw arm had so much magic in it yesterday afternoon at North Fond du Lac that he beat Evansville 5 and 0 for the title. He gave but two hits, both singles and many an enemy base runner saw the regions of third base.

Saturday afternoon Fredericks went into the box in the sixth inning and toiled to the end as his club rallied and scored an 11 and 10 win over Merrill for the right to enter the title game. Francis Burton had started the game.

Pitching in a slow, deliberate manner Fredericks struck out 10 Evansville batters, the last one to hit the dust being the last man to face him in the ninth inning and was a most fitting gesture. Three Evansville batters drew passes. The two singles, both between short and third came in the second and third frames.

**Score In First**  
The Appleton youngsters went right after their ball game Sunday afternoon when Van Ryzin scored in the opening inning. He was safe at first when the Evansville second baseman bobbed his grounder, moved to second when the first baseman let a toss from the pitcher go away and went to third on an infield out. He moved home when Horn blasted a hit into the right field.

Appleton then threatened in the third inning when two hits were coined and scored twice in the fourth frame. Bartman grounded out to left. Steffen then scored on Frederick's single to left.

The last two markers came in the sixth inning when F. Burton started with a single back of third, and moved to third base as Fredericks singled to left. Fredericks moved to second on the throw to third. Both runners scored on a single through second base by C. Burton. Van Ryzin and Krause whiffed to end the inning.

**7th Inning Rally Stopped**  
Another Appleton rally in the seventh was stopped by Evansville. Twice the Oney Johnston team had the hocks loaded but the runs were stopped by force players.

Saturday's game was the thriller. It was pretty much a put and take affair with both Merrill and Appleton hitters getting plenty of binges and showing a little ragged work.

Merrill scored a run in the opening inning and Appleton did likewise. Merrill added another in the second and Appleton came back with four. Then Merrill scored four and Appleton evened the count at 6 all in the last half the third.

The fourth saw Appleton pull in front with one run and score two in the fifth and two in the sixth. Merrill blasted four runs home in the sixth but Appleton's markers in the last half the frame brought the winning margin. The winning run came when the Merrill hurler let loose a wild toss.

**Nervous Saturday**

During Saturday's exhibition the Appleton team seemed a bit nervous. F. Burton was on the mound and although he pitched well enough had trouble with his control and walked batters when it appeared he had them struck out. He tired in the sixth and then gave way to Fredericks.

Fredericks proved the better team of the two Appleton faced. In Klem, a short stop, the team had a youngster who couldn't get away from the plate and he coined three hits. Doering, the Merrill catcher, had the best arm of any youthful receiver and kept runners close to the bases throughout the game.

Saturday's exhibition saw Steffen hit three out of four and F. Burton two out of four. Art Van Ryzin scored three runs. Sunday Horn coppered honors with three hits in four tries while Caires had two out of four and d. d. Burton. Steffen, Krause, and Fredericks had two and Fredericks.

Yesterdays' victory and the state legion baseball title gives the Appleton youngsters the right to compete in the regional state tournament at Superior on Aug. 17 and 18. Teams from North and South Dakota, Minnesota and Wisconsin will play.

Besides the youngsters who go into the line-up Saturday and Sunday, Ray Van Ooyen, William Wiegand, Robert Aitken, Howard Gmeiner, and Howard F. Fin are members of the squad. Floyd Kessler and H. W. Miller coach the boys.

**Frankie Parker in Culver Net Tournament**

Culver, Ind. — Frankie Parker, sensational young Milwaukee tennis master, was a big favorite for a title or two days as the national junior and boys' championships opened on the Culver military academy courts.

Parker was entered in the junior division, and has as his opposition Jay Cohn, Santa Monica, Calif.; Richard Hebard, White Plains, N. Y.; Marco Hecht, New York; Charles Hunt, San Francisco; Gilbert Hunt, Washington, D. C.; Jack Lynch, Taft Calif., the defending champion, and Gene Mako, Los Angeles.

More than 100 players were entered in both divisions.

## Buss Whiffs 17 As Merchants Win From Green Bay

DePere at Appleton Merchants.

Oshkosh at Little Chute.

Darboy at Wrightstown.

Menasha at Neenah.

## Pond All-Stars Win Three Games

**Take Two from New London Saturday, One from Manitowoc Sunday**

**The Pond All Star softball team**

enjoyed a big weekend when it coped two games Saturday afternoon here from the New London All Stars and then went to Manitowoc Sunday afternoon and came away victor by a score of 8 and 4. The Manitowoc victims were the Hill Top cafés.

Saturday's first victory was by a score of 10 and 1, Ray Crane tossing for the Ponds. He gave but six hits and whiffed nine batters. The Stars scored in every inning except the fifth and took a three run lead in the first. Bauers caught for the Ponds. The New London battery was Carl Eberts and Gottschalk.

In the second game Manager Sternard trotted out a new Pond hurler, Hammon, and he proceeded to give New London four hits and copped the decision 4 and 2. Hammon whiffed seven batters. Eberts and Raby worked for New London in the second tilt.

Sunday's game at Manitowoc saw Emmett Mortell on the turret against the Hill Tops, one of the teams now playing for the right to represent the lake shore city in state tourney play. Appleton got 13 hits and the losers six. The Stars were hitting the ball well in all weekend games and are rounding out rapidly for state play.

Tuesday evening the team will drill at First Ward diamond.

# Profit-Taking Again Fails to Stop Advances

## Bullish Spirit Conquers All Opposition on New York Exchange

(Copyright, 1932, Standard Statistics Co.)

**Chicago**—**47**—Steady prices were maintained for hogs when packers and shippers started filling orders early today. Volume of offerings was sufficient to meet normal trade requirements and packers, with 6,000 direct, were not obliged to compete on the medium-weight butchers, but did exhibit anxiety on packing sows, which were marketed sparingly, enabling holders to get steady to 10¢ higher figures for the pick of the crop, moving at \$3.50-4.15.

While a few head of light butchers reached \$5.00, the practical top was \$4.90, most of the good to choice 180-220 lb. hogs going to shippers and small operators at \$4.80-4.90. Only 1,000 hogs were carried over unsold from last week. Average weight of hogs at 250 lbs. was the same as the previous week, while average cost of droves at \$4.26 was 11¢ lower.

Short receipts of cattle, particularly distressed seeked of high-grade steers of the weighty type, anything that met shippers' specifications was held at higher figures and local killers eyed all finished beef steers, keeping in readiness to pay premiums in order to get them.

Local packing interests received 8,200 lambs on direct billing, many of them westerns, thereby making them quite independent of open-market action. However, they were relied upon to provide an outlet for practically the entire salable supply, as shippers and feeding demand was practically negligible.

Limited marketings of cattle from the territories tributary to the Chicago market gave the trade a higher aspect from the outset, but they merely served to interrupt the upswing of prices. Declines of 1 to 3 points in the first half hour were quickly regained, and a similar setback at noon was short-lived. Extreme gains of 4 to 6 points were chalked up in such issues as American Telephone, Dupont, American Can, Case, Consolidated Gas, Peabody Gas, Northern Pacific, Western Union, Norfolk and Western, Union Pacific and Santa Fe. Issues up 2 to 3 or more included U. S. Steel, General Motors, Chrysler, North American, New York Central, Pennsylvania, New Haven, Public Service of N. J., Johns Manville, Safeway, Penray, Coca Cola, Allied Chemical, Continental Can, Bethlehem Steel and others. Oils and copers, however, were not conspicuous in the advance. Homestake Mining was a soft spot off 5 points.

### Rails Lead Advance

The rails, many of which have already more than doubled in price since the last turned upward a month ago, continued to lead the furious advance. Traders were obviously willing to believe that the determined efforts of the railroad executives to cooperate to reduce their expenditures, together with a brightened prospect of general business improvement in the autumn, justified confidence in the ability of the stronger roads to restore their earning power. Stocks of coal carriers, and some of the roads which expect to have large crews to move, were particularly strong.

The automobile stocks shot upward in their best move in months. While automobile production has recently undergone sharp seasonal curtailment, a number of executives now express the belief that the improved sentiment reflected by the security markets should bring improved autumn business.

Some quarters point out that measures to help commodities, such as the plan of releasing the market of the overhanging farm board stock of cotton through a credit arrangement with the mills, should restore agricultural purchasing power and stimulate new automobile buying.

The drop in Homestake Mining was interesting in view of the change in sentiment toward other issues. Gold mining thrives when other industries are depressed, and general prices in terms of gold decline. But as measured by standard indices, wholesale commodity prices have now advanced for seven successive weeks.

## Federal Loans Body Prepares For Activities

### Preliminary Conferences Being Held at Na- tional Capital

Washington — (R) — The two-day old home loan bank board already is shaping the machinery necessary to get financial aid to home owners.

Preliminary conferences among those of the five board members now in the capital continued today with Franklin W. Fort, New Jersey Republican, chairman, planning the first formal meeting tomorrow. Meanwhile, he talked with Nathan Adams, Dallas Democrat and prominent banker in the southwest, and Dr. John Gries, Rosewood, Ohio, Republican, economist, about the problem of picking sites for the eight to twelve banks they will establish.

That constituted one of their immediate and essential tasks. There was some discussion of the 12 cities where federal reserve banks operate. The fact that these places already are recognized financial centers drew some comment. But that fact alone, it was indicated, would not be the only one considered.

Then, too, should the directors decide to establish only eight banks at first, at least four of the federal reserve cities would have to be passed up.

Fort expects the other two directors appointed Saturday by President Hoover—subject to confirmation by congress in December—to be present tomorrow. These are H. Morton Bodish, Chicago Democrat and executive manager of the United States Building and Loan League, and William E. Best, Pittsburgh Republican, president of the league.

Other problems confront them. They will give some consideration to men available to head the eleven directors of each of the system banks. They will think about the minimum capitalization of each bank, which under the law must be \$500,000. Larger institutions are likely to be set up in some places.

The board members hope the initial shares, to be sold at \$100 par value, can be distributed without too heavy a claim upon the \$125,000 available for federal subscription through the reconstruction corporation.

And above all they want to get the system speedily established so it can lend money to home-owners who have good security but cannot borrow elsewhere; to building and loan associations, savings banks, cooperative banks, homestead associations and insurance companies can re-discount home mortgages after subscribing to home loan bank stock equaling 1 per cent of the unpaid principal of the mortgages they hold.

### Governor Target

## Hay Fever Season Near, Sneezing Victims Claim

Hay fever is "a catarrhal infection of the mucous membranes of the eyes, nose and respiratory tract, sometimes accompanied with fever and asthma," the dictionary explains—but to hundreds of Appletonians it's worse than that.

They describe it better as a slight tickle that starts with a couple of insignificant snuffles, proceeds until the victim is sure the trouble is right between the ears, and then

winds up in a sneeze that almost breaks one's neck.

The annual hay fever season is on, and many Appleton residents, affected with the uncomfortable ailment are ready to start for the northwoods or other sections of the state where they can lie under a pine tree until the ailment has subsided.

Seasonal catarrh is traced back for many centuries, and there are nearly a score of weeds that raise hay fever pollen, some physicians say. Of those plants, the rag weed is probably the worst offender, it was stated.

Golden-rod, sunflowers and some kinds of grasses common in this section of the state also pollinate about the time of the year when hay fever is at its worst and is affecting scores of people. If the pollen can be identified, serum treatment will cure many sufferers, some physicians claim.

### Control Weeds

In many cities throughout the southern part of the country campaigns are conducted annually in an effort to battle weeds which are the cause of hay fever. In some cities air filtering machines have been installed in offices, homes and hotels for the convenience of hay fever victims.

Although golden rod and allied plants are to be found many miles north of Appleton, there are those who claim they find relief in the northwoods. These individuals take their annual vacations about the time they expect the fever will have the "strongest hold" on them and they run for the north as fast as they can.

### 110,377 Badger Units Re- port Addition to Reg- ular Production

(Post-Crescent Washington Bureau)

Washington—Wisconsin led the country in total value of forest products cut on farms in 1929 according to reports made to the census bureau during the 1930 census, that bureau announces.

With 110,377 Wisconsin farms or 60.7 per cent of all the farms in the Badger state reporting forest products in addition to regular farm products, Wisconsin recorded a total value of \$16,925,577 for such products in 1929. Its 1919 total, not strictly comparable because of differences in the census questionnaire and number of farms reporting, was \$16,587,974.

New York was second among the states in 1929 with a total value of \$16,259,744 to report.

The Badger state ranked only tenth, however, in the average value of forest products per farm, with an average of \$153, against \$289 in New Hampshire, the leader.

The contributions of specified forest products to the Wisconsin total follow: firewood, \$12,601,014; fence posts, \$1,077,621; pulpwood, \$1,201,455; saw logs and veneer logs, \$1,593,935; railroad ties, \$339,503; and poles and piling, \$112,049. The state ranked fourth in pulpwood valuation, led by Maine, Virginia and Minnesota in the order listed.

Receipts in the Badger state from sales of nursery and greenhouse products in 1929 equaled \$2,121,234 or an average of \$3,335 for each of 636 farms or special establishments reporting. Of the total receipts, \$638,052 were from sales of nursery products, flower and vegetable seeds, and \$1,483,182 from sales of flowers, plants and vegetables grown under glass and flowers grown in the open.

Nursery and greenhouse receipts in Wisconsin in 1919 equaled \$2,358,423 but the 1929 and 1919 figures are not exactly comparable because of differences in classification and compilation.

For the United States, 40.7 per cent of all farms in the country reported \$24,042,245 or an average of \$85 per farm for forest products cut on farms in 1929. Receipts

throughout the nation from sales of nursery and greenhouse products totaled \$145,702,566 or an average of \$4,866 of each of 29,946 farms reporting in 1929. The 1919 total was almost \$100,000,000.

New York — This Olympics excitement has spread to the Bronx Zoo. The pine snakes, eight of 'em

are having a marathon, racing around and around for hours.

Thousands of people are coming to see them.

Thousands who have itching, bleeding or protruding piles have not yet learned that quick and lasting relief can only be accomplished with an internal medicine. Neither salves nor suppositories remove the cause.

Bad circulation of blood in the lower bowel causes piles. The hemorrhoidal veins are clabby, the bowel walls weak—the parts almost dead. To get rid of piles an internal medicine must be used to stimulate the circulation, drive out the thick impure blood, heal and restore the affected parts.

Dr. J. S. Leopold, after years of study, found a real internal Pile remedy. He called his discovery HEM-ROID, and prescribed it for 1000 patients with success in over 900 cases, and then decided every pile sufferer, no matter how stubborn his case, might try his prescription with a money back guarantee.

So why waste time on external remedies or worry about an operation when Schlitz Bros and all good druggists invite you to try HEM-ROID tablets with guarantee of money refunded if they do not end your pile misery. Adv.

## One Smoker tells ANOTHER

WHEREVER you buy CHESTERFIELDS on land or on sea, you get them just as fresh as if you came by our factory door—have one if you will. I think you will find that they are milder—that they taste better.

I have noticed that CHESTERFIELDS are made right—not hard and soft; no flabby cigarettes—each one well-filled. They are the right size to smoke cool and comfortable.

## Making Drapes and Glass Curtains Free

Come in tomorrow, select your materials (from 50c a yard up), select your style from the models shown, and our workroom will do the work, free, including hanging them in your home. Ruffled Curtains and Cottage Sets made at \$1.00 a pair.

—Third Floor—

THE PETTIBONE-PEABODY CO.

This is positively the greatest overall value we have ever been able to offer the people of Appleton. It is the lowest price at which Oshkosh B'Gosh 8 oz. Overalls have been sold. NOTHING HAS BEEN CHANGED BUT THE PRICE!!! It's the same old reliable overall you've always bought here. Individually designed patterns for every size . . . mill-shrunk denim . . . form-fitting bib . . . and a guarantee of complete satisfaction. Extra sizes \$1.09.

Vestbak  
No. 801

Don't miss this opportunity to fit yourself and the boys out for Fall. Boys' Oshkosh B'Gosh Overalls . . . ALL SIZES . . . 4 to 18 . . . 75c.
